2019 LIGHTING MARKET RESEARCH
WHO WE ARE
Founded in Milan (Italy) in 1980, CSIL - Centre for Industrial Studies is an independent Research and Consulting company specialized in applied economic research, evaluation of public investment projects, business intelligence, support to development programs and policies, market analysis and SMEs economics. Since its origin, CSIL has been established as a center of excellence concentrating on the diagnosis and design of company and sector strategies, and the analysis of factors of competitiveness at Local, and global level.

WHAT WE DO
CSIL professional background encompasses a wide range of experiences at different levels: 20 partners in activity, 7 associated experts, an overall network of 50 experts. The research activities at CSIL are structured around three business areas:

• Industry Studies (mainly Furniture sector and related supply chain)
• Development and Evaluation Studies
• Laboratory Innovation Unit (Lighting, Kitchen, Appliances, and New Businesses).

Consistency and complementarity within the research objectives and methodological tools are ensured by a common statistical office and a Scientific Committee.

OUR VISION
“Careful analysis, global perspective, feasible projects”. CSIL boasts an empirical and experimental perspective, based on the direct and detailed observation of evidence, attentive to differences and similarities, with a concrete and versatile approach. CSIL research and consulting activities are driven by the search of hard facts that tell stories that are relevant to our clients. CSIL experts pursue their work with intellectual integrity and a genuine passion for understanding growth and innovation processes.
WORLD TRADE OF LIGHTING

Imports and exports of lighting fixtures, lamps, and related products in 70 countries. The analysis includes: 2013-2018 data; estimated segmentation for product groups; breakdown of international trade by geographical area, estimated demand by country and main solutions; mid-term forecast.

About 280 pages – Language: English
Edition XXIV, Year 2019, Price EUR 1600

LEDS AND THE WORLDWIDE LIGHTING MARKET (AND BEYOND)

About 170 pages – Language: English

THE WORLD MARKET FOR OUTDOOR LIGHTING

Countries covered: Europe (North, West, East, Central), China, United States, Japan, Turkey, Russia, India, Americas, Middle East, and South Africa. Market size and activity trend for 70 countries. Residential lighting outdoor, architectural outdoor, street lighting, tunnel lighting, area lighting. Top players and market shares. Specific focus on outdoor connected lighting.

About 160 pages – Language: English

E-COMMERCE FOR THE LIGHTING INDUSTRY

Trends in e-commerce in the lighting fixtures industry. Case studies and analysis of the status and prospects of lighting fixtures retailing on the Internet; short profiles of leading e-commerce players, sales and market shares.

About 90 pages – Language: English
Edition IV, Year 2019, Price EUR 1000
FINANCIAL ANALYSIS OF 50 MAJOR LIGHTING MANUFACTURERS WORLDWIDE

Key financial data and ratios 2013-2017; profitability and financial structure indicators.

About 80 pages – Language: English
Edition III, Year 2019, Price EUR 1280

LIGHTING CONTRACT: TOP 100 ARCHITECTURAL COMPANIES AND LIGHTING DESIGNERS

The who’s who in the project segment of the lighting world. Short profiles. Estimated market size of the contract business, with focus on the upper-end segment.

About 80 pages – Language: English
Edition II, Year 2019, Price EUR 1000

EUROPE

THE EUROPEAN MARKET FOR LIGHTING FIXTURES, PART I

17 Western European countries considered: Austria, Belgium-Luxembourg, Denmark, Finland, France, Germany, Greece, Ireland, Italy, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland, and UK. 150 interviews with leading producers of residential, commercial, industrial and outdoor lighting fixtures. International trade, supply and market size, product trends. Sales data and market shares for the main players, distribution channels. Data 2013-2018 and forecasts 2019.

About 280 pages – Language: English
Edition XXVIII, Year 2019, Price EUR 2900

THE EUROPEAN MARKET FOR LIGHTING FIXTURES, PART II

Lighting fixtures market in Central-Eastern European countries: Bulgaria, Croatia, Cyprus, Czech Republic, Estonia, Hungary, Latvia, Lithuania, Malta, Poland, Romania, Slovakia and Slovenia. Lighting fixtures statistics (production, consumption, imports and exports). Information on distribution channels, lighting sources, productivity and financial ratios. Sales data, market shares and strategies of 50 among the top manufacturers in this area and of the major players in each considered country.

About 190 pages – Language: English
Edition VII, Year 2018, Price EUR 1600
THE EUROPEAN MARKET
FOR EMERGENCY LIGHTING (EU24)
About 60 pages – Language: English
Edition II, Year 2017, Price EUR 1280

THE EUROPEAN MARKET
FOR LIGHTING CONTROLS AND IoT (EU26)
Indoor and outdoor lighting controls, lighting management, IoT products. Estimated market data and forecast. Market breakdown. Short profiles. Market shares of the top manufacturers. Market breakdown by kind of product, application, demand (public or private) and light source. Geographical coverage: Europe (27) plus a snapshot on USA.
About 90 pages – Language: English
Edition II, Year 2017, Price EUR 1280

THE EUROPEAN MARKET
FOR HEALTHCARE LIGHTING (EU31)
Market size and activity trend for two healthcare macro segments. Main products and market drivers (demographic changes, healthcare expenditure, hospitals, nursing residential care facilities, dental practices and community pharmacies). Major players and weight of healthcare on the overall lighting turnover.
About 80 pages – Language: English
Edition I, Year 2015, Price EUR 1280

THE EUROPEAN MARKET
FOR OUTDOOR LIGHTING (EU30)
Outdoor lighting fixtures industry statistics, sales data and market shares of the top manufacturers. Market breakdown by kind of product, application, demand (public/private), light source. Geographical coverage: European Union 15 + Norway and Switzerland.
About 80 pages – Language: English
Edition I, Year 2014, Price EUR 1280

IL MERCATO ITALIANO:
DELL’ILLUMINAZIONE OUTDOOR (IT40)
About 25 pages – Language: Italian
Edition I, Year 2015, Price EUR 1280
THE LIGHTING FIXTURES MARKET
IN THE UNITED STATES (S15)
This report offers a comprehensive picture of the lighting fixtures industry in the US, providing trends in lighting fixtures production and consumption, imports and exports. Data on the market structure, prices and distribution channels of the US lighting industry. Sales data, market shares and short company profiles of major US lighting fixtures companies.
About 210 pages – Language: English
Edition XIII, Year 2019, Price EUR 1600

THE LIGHTING FIXTURES MARKET
IN LATIN AMERICA (S58)
Analysis of the lighting fixtures market in five Latin American countries (Argentina, Brazil, Chile, Colombia, Mexico). Lighting fixtures industry statistics (production, consumption, imports, exports), sales data and market shares of the top manufacturers in each country considered.
About 130 pages – Language: English
Edition IV, Year 2018, Price EUR 1600

ASIA

THE LIGHTING FIXTURES MARKET IN CHINA (S27)
About 180 pages – Language: English
Edition XII, Year 2019, Price EUR 1600

THE LIGHTING FIXTURES MARKET IN INDIA (S33)
About 120 pages – Language: English
Edition VII, Year 2018, Price EUR 1600
THE LIGHTING FIXTURES MARKET
IN JAPAN-SOUTH KOREA (S72a)
Activity trend 2013-2018; international trade; sales and market shares of the major players; distribution channels; LED and conventional light sources.
About 160 pages – Language: English
Edition IV, Year 2019, Price EUR 1600

THE LIGHTING FIXTURES MARKET
IN ASIA PACIFIC (S72b)
6 countries considered: Indonesia, Malaysia, Philippines, Singapore, Thailand, Vietnam. Activity trend 2012-2017; international trade; competitive system; LED and conventional light sources; distribution system; and economic indicators.
About 160 pages – Language: English
Edition III, Year 2018, Price EUR 1600

THE LIGHTING FIXTURES MARKET
IN AUSTRALIA-NEW ZEALAND (S72c)
Activity trend 2011-2016; international trade; sales and market shares of the major players; distribution channels; LED and conventional light sources.
About 100 pages – Language: English
Edition III, Year 2017, Price EUR 1600
RUSSIA, TURKEY, MIDDLE EAST, AFRICA

THE LIGHTING FIXTURES MARKET IN RUSSIA (S28)
Lighting fixtures statistics (production and consumption, imports and exports), sales data and market shares of the main players, company profiles, data on the supply structure (light sources, productivity and employment), distribution channels, reference prices.
About 140 pages – Language: English
Edition IX, Year 2018, Price EUR 1600

THE LIGHTING FIXTURES MARKET IN AZERBAIJAN (S78)
Historical data on production, consumption, international trade. Analysis of competitive system, market shares and short company profiles of the major lighting fixtures companies and distribution channels.
About 40 pages – Language: English

Approximately 40% of CSIL’s market research is carried out “on demand”. Custom research meets the specific needs of the Client and the results are for its own sole use. Customized research is based on a multidisciplinary approach, using both desk and field analyses. CSIL has partners and correspondents in around 20 countries including Brazil, China, India, Russia, USA and all over Europe. Costs for customized projects are usually between 3,000 Eur and 30,000 Eur. Detailed offers, including budget and methodology, are provided for each request. Delivery time are usually 2-8 weeks.

MARKET BRIEFS

- **Issues we address:** Bird-eye on a potential market with a specific sector or thematic focus, recent trends and expected short and long-term developments.
- **Tools:** Market information from CSIL database, desk research, secondary data analysis, selected interviews, econometric models.
- **Expected results:** key information for the decision about the ‘go or stop’ in a new business field or country, fact findings for production, investment and sales planning.
- **Some recent experiences:** Lighting wholesalers in the USA; biannual surveys for consumer luminaires; OLED lighting in Europe.

ENTRY STRATEGIES

- **Issues we address:** Supporting your strategy design in approaching a new market (which channels, investments, job recruiting, flagship products, purchasing process).
- **Tools:** In-depth industry interviews, desk research, statistical data analysis.
- **Expected results:** Recommendations on market entry strategy with action plan.
- **Some recent experiences:** Market approach in Saudi Arabia, Thailand, Turkey; potential market for advanced healthcare lighting; census of lighting controls and related activity players in Europe; partner research in the Italian design-oriented market.

COMPETITION AND POSITIONING ANALYSIS

- **Issues we address:** We track activities and initiatives of existing and emerging competitors, evaluating their impact and allowing the client to respond quickly. Company data are analysed within the sector’s scenario in order to understand its positioning, possible future developments and trends in market shares.
- **Tools:** This is usually performed in three steps: company check-up, market environment, competitor analysis. Key tools are in-depth interviews to industries representatives, desk research, secondary, data analysis and statistics.
- **Expected results:** Database for the client’s competitive intelligence, industry benchmarking, brand portfolio and SWOT analysis.
- **Some recent experiences:** Company profile of selected lighting fixtures manufacturers in Europe; competitive positioning of three brands in the design-oriented market; long-term trends (30 years) in the European lighting market; top 5 five players in selected Asian markets.
CSIL CUSTOMIZED RESEARCH

ANALYSIS OF PRODUCT TRENDS, PRODUCT TESTS
• Issues we address: Assessing the competitive advantage of products and selling strategy.
• Tools: Interviews with trade representatives, key testimonials and trend setters, mystery shopping.
• Expected results: distribution channel assessment, testing new products in terms of prices and product features.
• Some recent experiences: Linear lighting market analysis; potential market for new kind of flat glass; classical versus contemporary lighting; ecological and standard thermoplastics; LED candle market.

PRODUCT DESIGN STRATEGY
• Issues we address: Identifying the company guidelines for the future communication/product/service scenario, analyzing design opportunities in terms of new products. Innovation concept design.
• Tools: tailored made design laboratories, workshops and seminars involving R&D, Production, Marketing and Design managers.
• Expected results: design strategy, product/communication strategy design research, design workshop training.
• Past experiences: Clients include companies in Italy, Bangladesh, Thailand. CSIL Experts have also given training, workshops and consulting in Germany, Italy, Mexico, and USA.

TRADE AND CUSTOMER SATISFACTION
• Issues we address: Investigating the degree of satisfaction of customers or other relevant actors; identifying the key factors affecting their (implicit and explicit) satisfaction.
• Tools: Survey data coupled with advanced methods and tools for processing survey data. CAWI (Computer Assisted Web Interviewing) and Bulletin Board, by CSIL and Eumetra Monterosa.
• Some recent experiences: Some recent experiences: Trade satisfaction in the Italian kitchen furniture market. Coming soon: Trade satisfaction in the Italian lighting fixtures market.

LOCAL DEVELOPMENT STRATEGIES AND CLUSTERING POLICIES
• Issues we address: Development planning of local productive systems and group of companies for development agencies, consortia, and institutions.
• Tools: Supply and demand analysis, potential and actual market, strategic analysis of competition, SWOT Analysis, technical assistance for clustering policies, stakeholders mapping.
• Expected results: analysing development policies (legal framework and projects) as well as production factors, comparative analysis of local productive systems.
• Some recent experiences: Summer School on Cost-Benefit Analysis of Investment Projects; evaluation of EU Cohesion Policy.
